Open the snap clip, insert the top of the graphic into the gap, make the graphic flat.

Close the snap clip.

Take the protective film of the adhesive tape. Place the graphic evenly on the leading paper. Use the line as a guideline.

Put adhesive tape on the back of the graphic and on the leading paper, in order to secure the graphic to the leading paper.

Hold the graphic and the roll-up body with one hand tight. Take out the pin at the side while you still hold the graphic, to avoid that graphic suddenly roll into the body too fast.

Make the graphic scroll slowly into the roll-up body by hand.
